
Follow Sun Gastil Gordon Janet

department of earth & planetary science - just appeared (uc press) and make you aware of the novels of gordon gastil (follow the sun) and lionel weiss (latent images and cairn seventeen) that go far beyond geology. while cleaning up storage rooms, we came across some real treasures and we are grateful to hank houck for identifying them. **san diego association of geologists** - gordon gastil adventure book: janet and gordon gastil, sdsu geology professor emeritus, will be speaking on their fascinating novel "follow the sun" at barnes & noble bookstore, encinitas, on wednesday august 9 at 7 pm.. the book is a fictionalized version of what could very well be a non- **san diego association of geologists** - gordon gastil book: janet and gordon gastil, sdsu geology professor emeritus, will be speaking on their fascinating novel "follow the sun" at barnes & noble bookstore, encinitas, on august 9 at 7 pm.. the book is a fictionalized version of what could very well be a non-fiction account of the first naturalist to travel around the world.
